

ASSESSMENT

Present Level of Skills (strengths and interests): Ari is a 17 year-old individual with ASD who is in a self-contained classroom in a local high school and he participates in a variety of vocational training programs. Academically he works at about a first grade level. He reads using a sight word strategy and can solve simple addition and subtraction problems. He enjoys Disney movies, especially the Lion King, as well as Sesame Street (Bert and Ernie). Ari's primarily communicates using short phrases to communicate his needs or to respond to simple questions. He is quick to learn the names of others and refers to himself as Ari. Ari has a very happy personality and is willing to do (or at least try) most anything that is requested of him.
